Number Worksheet  
Learning the Number 5

Practice printing the word five (5) by tracing the word five below. Then use the empty space to print the word five on your own.

Tracing practice area with two sets of horizontal lines (top solid, middle dashed, bottom solid). The word "five" is written in dashed lines on the first set of lines. The second set of lines is empty for independent practice.

Can you count to five? Circle five of the angels below.
