Sizes Worksheet  
**Big and Small**

Look at the shapes in each of the four sections. Circle the **small** shape in each section. Draw a line under the **big** shape in each section.

The worksheet is divided into four quadrants by a vertical and a horizontal line. Each quadrant contains two shapes of the same color and type, one significantly larger than the other. The shapes are: top-left (orange triangles), top-right (green rectangles), bottom-left (blue squares), and bottom-right (yellow circles).
